

DAILY READING: SERVING

Jesus served all of mankind with love by dying on the Cross for our sins. I choose to serve others with unselfish love, like Jesus. I cannot do this on my own. It is the power of the Holy Spirit that helps me serve others with love. When I serve others as Jesus did, the desire to find fault with others disappears. I choose to serve others without expectations. I serve to show Jesus' love. I do not serve for approval. I choose to give thanks for ways others have served me. Love and joy grow in me as I choose to serve others like Jesus. I choose to serve others and to follow Jesus' example of love and obedience.
