

God's Power

God is all powerful and His mighty power is living in me. His power is a force and strength that nothing and no one can equal. His power is an overcoming power, which proved true when He raised Jesus from the dead. His power alone can bring life where there is death. His power has raised me from spiritual death and will ultimately raise me from death to eternal life. His power gives me assurance of my future with Him for eternity and offers hope and blessings for today.

When things do not look like I want them to, or when I do not feel like God is working, I will wait patiently for Him to bring about the reality of His promises through His power. His actions on the cross prove He will continue to do all He has promised; I live in certainty of this through the power of the Holy Spirit, regardless of my circumstances. All of God's promises for me are established on His great power. God is all powerful and His mighty power is living in me.

Only God's power working in me transforms me, as a follower of Jesus, and makes me willing to take up my cross daily and follow Him. His power is complete and nothing is impossible for Him. His power is the basis for my hope. God is on my side and has empowered me to face every obstacle. His power is mighty and active in me, always working in me and on my behalf. There is no spiritual power from the enemy or of this world that can dissuade or disengage the power of God in my life

The all-encompassing power of God was made clear, not only at the cross and resurrection, but also when Jesus ascended to the right hand of His Father in heaven. He is the ultimate authority for all the world, in truth all the universe. He has won the final victory over the enemy and is in control. He alone exercises leadership over all the earth. All rulers, authorities, powers, and dominions in heaven and on earth, both visible and invisible, including governments and spiritual forces, come under the ultimate authority of Christ Himself. He reigns supreme. He has no equals, He has no rivals. God is all powerful and His mighty power is living in me.
