

DAILY READING: WHO IS GOD?

God is the Creator of the whole world and everything in it. God, the Creator, is the one true God. He is all-powerful. God has always been and will always be. God wants to be in a relationship with me. He is the perfect Father. When I choose to follow Jesus, I am adopted into the family of God. His Spirit moves into my heart and God becomes a part of me. I can trust God. He keeps His promises. I choose to love God and praise Him in every situation. He is working in my life for my good.
