

## DAILY READING: COMMUNION

Jesus told us to remember His death by taking communion. When I take communion, I eat bread and drink grape juice as a way of remembering Jesus' death on the Cross for my sins. I prepare for communion by confessing any sin in my life and asking for forgiveness. Sin is disobeying God. I will take communion to remember Jesus died for my sins. Communion is an act of worship. I take communion to remember Jesus' death and to thank Him.

### ACTIVITY: Taking Communion

You remember Jesus and that He died for us when we take communion. We take the bread to remember that Jesus' body was broken for us on the cross. We drink the grape juice to remember that Jesus' blood was spilled to wash our sins away and make us clean.

#### YOU WILL NEED:

- Grape juice
- Bread

#### STEPS:

\*Communion is meant to be taken if you have made Jesus the Leader of your life.

1. Get your grape juice and bread ready.
2. Eat the piece of bread to remember that Jesus died so we could be with Him forever. Pray this, "Thank you Jesus for allowing me to be with you forever because you died on the Cross for me."
3. Drink the grape juice to remember that Jesus cleansed you of your sins on the Cross. Pray this, "Thank you Jesus for spilling your blood for me to wash away my sins."
