ONE THING

Allow God to Change the Way You Think.

ROMANS 12:2

"Don't copy the behavior and customs of this world, but let God transform you into a new person by changing the way you think. Then you will learn to know God's will for you, which is good and pleasing and perfect."

BY YOURSELF

God has a lot to say about sex and it's a pretty big deal to Him. However, the world that we live in also says a lot about it and much of it doesn't line up with what the Bible says. This week, take a moment to pray, "God, allow me to see sex and my own sexuality the way you desire to me and grow in my understanding of it."

WITH YOUR FAMILY

It's so important that we talk about this subject at church, but even more so, it's important that families discuss this topic. It may be uncomfortable, but this week have an open dialogue about sex with your parents. Discuss some of the ways that sex is portrayed in the world and identify how that does or does not align with God's view of sex.
