

DEAR PARENTS

Today, just like you, your child learned about growing and learning to be like Jesus. How do we grow and learn? We have to grow in our relationship with God and understand that we will face troubles and we can grow through them. Your child will learn best from you as you model growing and learning. There are activities in this take-home. Complete one each day with your child.

Look at the front page together. Put their name on the top. Say the One Thing together "I Will Grow and Learn!" Ask them to tell you about the story of Joseph and why he was put in jail! Did he have a good attitude?

Practice our memory verse together! Come up with some hand motions to help you remember it. Try and practice the verse every day!

"You intended to harm me, but God intended it all for good."

GENESIS 50:20A

Look at the top of page one. Say the One Thing together again. Let your child ask you what you learned this week! Have them tell you what they learned about growing and learning. Read the memory verse and talk about how it helps us grow and learn.

There are a lot of ways we can grow strong! We can grow strong physically by working out and eating healthy. We can grow strong in our relationship with God by going to church, reading our Bibles, and loving Jesus! After circling ways to grow, draw ways you can be like Jesus this week!

Find all the pictures of Joseph having a good attitude. He might have not been in a good situation (jail, being sold, and being lied about) but he grew and learned through it all! When he had a good attitude, he grew and learned.

Fill in your child's name and color the words. They can grow and learn. Ask them ways they grew and learned this week!
