

## DEAR PARENTS

Today, just like you, your child has started a new series called Worship the King. This week they learned that there are many ways to worship God. Your child learned that we can give God honor and glory in everything we do. As you start this week, think about how your children see you worship God. Continually show them how God is number one in your life. There are activities in this take-home for you to complete each day with your child.

Look at the front page together. Put their name on the top. Say the One Thing together "I AM MADE TO WORSHIP!" Ask them about the Christmas story and what they learned about the Wisemen.

Look at the top of page one. Say the One Thing together again. Talk about different ways we can worship God! There are so many! Look at the pictures below. Ask your child if they like to worship God just like some of those pictures. If they do, circle it!

Practice our memory verse together! Practice using hand motions to remember each word. Your kids have seen hand motions in their teaching video each week!

*"You must worship the Lord your God and serve only him."*

MATTHEW 4:10B

Pray together! God wants us to talk to Him and we can do that through prayer. Say the prayer written for you. Remember, prayer is a way we can worship God too!

In our Bible story, the Wisemen had to look for Jesus! They saw a star and they followed it to Jesus. Cut out the nativity scene, hide it in your house, and search for it with a flashlight! Let your child lead the way as you look for Jesus. When you find the nativity scene say "I AM MADE TO WORSHIP!"

Color the picture from our Bible story! The Wisemen followed the star all the way to Jesus so they could worship Him. They worshipped Him by giving Him their best gifts!
