

## DEAR PARENTS

Just like you, your child learned who Jesus is. We learned that Jesus has another name: The Way. Jesus is the only way we can have a right relationship with God because He died on the cross to forgive us. Sometimes, we go through things in life that are hard but we can trust that Jesus is with us and He is the Way! There are activities in this take-home. Complete one each day with your child.

Look at the front page together. Put their name on the top. Say the One Thing together "Jesus is God's Son!" If you're reading The Life Transformation Bible Daily Readings with your child, start today and mark off each day!

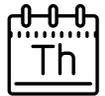

Look at the top of page one. Say the One Thing together again. Ask them about the story of how Jesus is God's Son. Remember that Jesus was born on Earth with Mary as His mother.

Practice our memory verse together! Cut out the puzzle and put it together as you practice saying it out loud. Try your hand motions too!

*"Don't copy the behavior and customs of this world, but let God transform you into a new person by changing the way you think."*

**ROMANS 12:2**

Find the Bible story in John 14:6-14. Show your kids that it's okay to highlight our Bibles. Reading our Bibles is part of how we get to know Jesus better!

Think back to the Bible story. If you can't remember it, find the highlighted verses from the previous activity. Color the pictures as you talk about the Bible story and how Jesus is the Way!

Take time today to worship God through prayer. Thank Jesus for coming to Earth as a baby and dying on the cross for our sins. Thank Him for being God's Son and loving us! Thank Jesus for being the Way for us to have a right relationship with God.

## Highlight the Bible

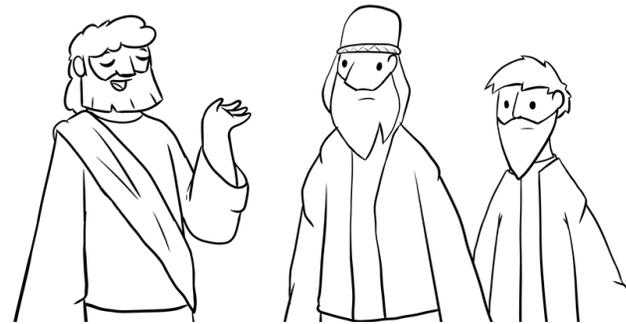

Have your parents help you:

1. Turn and read John 14:6-14.
2. Highlight the words with a yellow highlighter or underline them with a pencil.
3. Draw a picture to explain what you think it means.

## Color the Pictures

Talk about what you learned in the Bible story. Color the pictures as you talk about them!
